Re: Lower Darby Creek Area Superfund Site

Dear Ms. Prisk:

The purpose of this letter is to provide an update to my correspondence of October 21, 2002. In an attempt to further respond to your August 14, 2002 request for information and records pertaining to waste, including hazardous waste, that Haverford State Hospital may have generated, stored or disposed of during the years 1958 to 1976, Department personnel continued to search all existing records. They were, however, unable to locate any additional information responsive to your request.

Please do not hesitate to contact me if I can be of further assistance.

Very truly yours,

Stephen E. Gorka
